# Training Division

- 20+ years of training experience
- Woman Business Enterprise (WBE)
- Knowledgeable instructors
- On-site/custom training available
- Average class size 15-20
- Lecture & hands-on training
- Online registration

**OTS** is an established training company which provides the training necessary to comply with current health, safety and environmental regulations. Founded in 1990, we saw the need to provide a more “hands-on” type of training. Our 17,000 square foot training facility is fully equipped with classrooms and hands-on areas. Here we provide realistic demonstrations and exercises of the various techniques and equipment; practical to those in the industry.

## Government Accreditation

Illinois Department of Public Health (IDPH)  
Indiana Department of Public Health (IDEM)  
Wisconsin Department of Public Health (DHS)  
American Board of Industrial Hygienist (ABIH)  
Environmental Protection Agency (EPA)  
City of Chicago Scaffold Training Provider

**32 Hour Course (\$595.00)**

## Asbestos Building Inspector

This three-day course covers techniques for individuals who will engage in investigations for asbestos-containing material (ACM). This course meets the training requirements under AHERA.

January 25-27	April 10-12	June 18-20
March 5-7	May 9-11	

**24 Hour Course (\$625.00)**

## Asbestos Contractor/ Supervisor (Project Manager)

This five-day course is designed for contractors and supervisors who will be managing asbestos abatement projects and supervising workers. This course follows the EPA Asbestos Model Accreditation Plan and includes extensive hands-on exercises.

January 16-20	March 12-16	May 14-18
February 13-17	April 16-20	June 11-15

**40 Hour Course (\$725.00)**

## Air Sampling Professional NIOSH 582 Equivalency

This four-day course teaches individuals the methods to collect and analyze airborne asbestos fibers by Phase Contrast Microscopy.

February 21-24	May 21-24
----------------	-----------

**4 day course (\$795.00)**

## Refreshers

### Asbestos Worker

February 3	April 14(Sat)	May 23
March 10 (Sat)	May 12 (Sat)	June 9 (Sat)
March 28		

**8 hour course (\$200.00)**

### Building Inspector/ Management Planner

January 6	February 8	March 9	April 18
January 20	February 17	March 21	May 1
January 30	February 29	April 4	May 18
			June 22

**8 hour course (\$265.00)**

**Single Class: 4 hour course (\$175.00)**

### Asbestos Contractor/Supervisor

January 5	February 10	March 23	May 7
January 14 (Roofers)	February 20	April 2	May 12(Sat)
January 23	March 2	April 14(Sat)	June 1
February 3	March 10(Sat)	April 20	

**8 hour course (\$240.00)**

### Project Designer

January 4	March 1	May 4
February 2	April 3	

**8 hour course (\$275.00)**

### Operations & Maintenance

February 9	April 5	May 31
------------	---------	--------

**8 hour course (\$175.00)**

## State of Wisconsin Refreshers

**Asbestos Worker- 8 hour course (\$225.00)**  
March 17 (Sat)

**Building Inspector - 4 hour course (\$190.00)**  
January 13      March 30

**Asbestos Contractor/Supervisor- 8 hour course (\$265.00)**  
January 13      March 17 (Sat)

# Lead Paint

## Lead Paint Abatement Worker

This three-day course properly trains individuals the basics for control and removal of lead-based paint. This course follows the EPA Model Curriculum and includes extensive hands-on activities and demonstrations.

February 6-8                      April 30– May 2  
March 26-28                      June 4-6

**24 hour course (\$525.00)**

This course is designed for individuals who have completed the 40 hour Hazardous Waste Site Worker course and will be supervising hazardous waste site operations.

February 6      June 18

**8 hour course (\$250.00)**

## Refreshers

### Hazardous Materials Refresher

January 13      March 16      May 25  
February 10      April 27      June 15

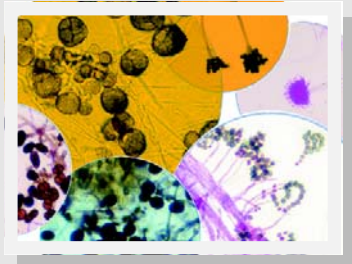

**8 hour course (\$240.00)**

# Safety

## Mold Remediation

This two-day course covers proper mold remediation techniques. Since it is based on current guidelines, the class covers the most up to date set up and removal techniques.

February 27-28    April 26-27    June 19-20

**2 day course (\$395.00)**

## GROUPS ONLY

### Accident Investigation

*4 Hour Course*

### Confined Space Entry

*OSHA 29 CFR 1910.146*

*8 Hour Course*

### Excavating & Trenching Competent Person

*OSHA 29 CFR 1926 Subpart P*

*8 hour course*

### First Aid/CPR

*American Heart Association— 2 year certification*

*4-6 hour course*

### (Forklift) Powered Industrial Truck Operator

*OSHA 29 CFR 1910.178( I )*

*4 hour course*

### Fall Protection

*OSHA 29 CFR 1926 Subpart M*

*4 hour course*

### Hazard Communication

*OSHA 29 CFR 1910.1200*

*4 hour course*

### Lockout/Tagout

*OSHA 29 CFR 1910.147*

*2 hour course*

### Silica Hazard Awareness

*29 CFR 1926.55, 1910.1000*

*4 hour course*

### Supported Scaffold Builder/User

*OSHA 29 CFR 1926 Subpart L*

*City of Chicago Certified*

*8 hour course*

*Please call (630) 655-3900 for details on the above classes*

### OSHA 10 Hour

Designed for all construction workers, of any trade, this 10-hour outreach training program meets the criteria outlined by OSHA's outreach training initiative.

**February 2-3**
